This September, the Center for the Inland Bays is excited to return to Big Chill Beach Club for our 2022 Decked Out fundraiser! This popular annual event is expected to draw 250 guests who are active in the local community and are concerned about the health of the Inland Bays watershed and the environment as a whole. As a sponsor, you have an opportunity to reach each one of these guests, as well as our 15,000 social media followers, 5,000 eNewsletter subscribers, and 3,000 Inland Bays Journal recipients. Plus, we've added some new perks that have never been offered before! Don't miss this chance to show our community that YOU are on board with the Bays!
